## **LIFE AT BANAS SAINIK SCHOOL**

Life at Banas Sainik School is not just about academics; it's about holistic development. The school provides a disciplined and structured routine that instills values like punctuality, responsibility, patriotism and respect. Students also have access to various extracurricular activities such as sports, NCC (National Cadet Corps), Personality Development and more.

Remember, the journey through Banas Sainik School is about shaping responsible and confident individuals who contribute positively to Armed forces and to society. So, if you're considering Banas Sainik School for your child, start early, stay focused, and believe in your child's potential to excel academically and in life. It's a journey that can shape a promising future, not just for your child but for the nation as well.

### **ACADEMICS**

Sainik Schools are residential schools, affiliated to the Ministry of Defence. They aim to prepare students for entry into the National Defence Academy (NDA). The academic curriculum typically includes subjects like Mathematics, Science, English, Social Studies, and additional subjects like Computer Science and Regional languages. In addition to academics, there's a strong emphasis on physical fitness, extracurricular activities, and character development.

## CO-CURRICULAR ACTIVITIES

In addition to academics, the School also provides facilities for development of creative faculties and skills, awareness of life around, innovative approach to problem solving etc. in an formal surrounding through organized club activities. The Club sessions are held once a week.

## LABORATORIES

The School has well established laboratories for Physics, Chemistry, Biology Mathematics, Computers and Social Science. Students are given equal exposure of theory as well as practical knowledge of the subject.

## LIBRARY AND READING ROOM

Well-resourced, aesthetically designed School Library is air-conditioned, with age-appropriate furniture that creates an inviting ambience for the young readers. A dedicated story-telling corner in the Library makes it a special place for the students.

## SMART CLASS ROOMS

The spacious and well-ventilated classrooms with natural light provide a conducive environment for learning. Every classroom has audio-visual facilities including live streaming of classroom teaching, a public address system, display boards and ergonomically designed age-appropriate furniture.

## OBSTACLE COURSE

The School has an Obstacle Course to test and improve the students courage, physical endurance and physique.

## PHYSICAL TRAINING AND CROSS COUNTRY

P.T. is compulsory and all cadets take part in regular physical training which includes cross country runs. All the instructors are experienced and have armed forces service experience.

## MEDICAL FACILITIES

The school has a part time Medical Officer. Medical Officer is assisted by a qualified Nursing Assistant. Medical treatment is free except where expensive drugs and tonics are prescribed. Physical fitness is the primary aim for cadets and the prime aim of our training schedule.

## VALUES EDUCATION

1. Character Education Workshops: In Banas Sainik School we organize workshops focusing on character traits like honesty, respect, empathy, and responsibility. These workshops can include discussions, role-playing exercises, and group activities to explore and reinforce these values.
2. Service Learning Projects: Banas Sainik School provides opportunity to engage students in service learning projects that allow them to apply their knowledge and skills to address real community needs. This not only fosters a sense of social responsibility but also helps students develop empathy and compassion.
3. Moral Dilemma Discussions: Banas Sainik School facilitates discussions about moral dilemmas and ethical decision-making. School presents students with scenarios and encourage them to analyze the situations, consider different perspectives, and discuss the implications of their choices.
4. Values-Based Storytelling: Use of storytelling as a tool to convey moral lessons and values. Share stories from various cultures and traditions that highlight virtues such as kindness, courage, and integrity.
5. Peer Mentoring Programs: Establishment of peer mentoring programs where older students serve as mentors to younger students, guiding them in developing positive attitudes, behaviors, and values.

6. Community Service Projects:: Bans Sainik School encourages students to participate in community service projects, such as volunteering at local shelters, or participating in environmental clean-up efforts. These experiences foster a sense of civic engagement and altruism.

7. Debate and Discussion Clubs: School organises debate and discussion clubs where students can engage in respectful dialogue on current events, social issues, and ethical dilemmas. These activities encourage critical thinking and help students articulate their values and beliefs.

8. Reflective Journals Students maintain reflective journals where they can record their thoughts, experiences, and insights related to values education. Encourage them to reflect on their own behavior, decision-making processes, and the impact of their actions on others.

## STAFF

The Director, Colonel Satish Vatsa (Retd), himself comes from an armed forces and has good experience of preparing NDA aspirants for written tests and SSB interviews. Physical instructors are preferably retired from the armed forces. Academic staff are well qualified and they undergo special training from Sainik School Society.
